Their Dander is Up, Sure.

A large number of our strawberry growers had their dander up to blood heat a few days ago when their returns came in from the arm of Smith, Cordes and Co., of Chicago. Among the princely checks received by them was one for 96 cents for Have a large stock to select from. Give eight bushels, another 85 cents for one bushel and still another \$1.90 for ten bushels, with a general average of shout Mrs. C. A. Roach and little son, of 40 cents a bushel. It is stated as a fact Lakeland, are visiting in this city, the that prices did greatly depreciate on the guests of Mrs. R's. sister, Miss Alice day these berries reached the market, but other shipments to other houses in Chicago on the same day brought an average of \$2 a bushel.
